ABOUT THE SPEAKER:

Dr. Sandra Tai, BDS,MS,Cert Ortho, FCDS (BC),FRCD(C) is a Clinical Assistant Professor in Orthodontics at the University of British Columbia and the Coordinator of the Invisalign University Program. She also maintains an active private practice in Vancouver, Canada, where she conducts Invisalign Immersion Courses.

Dr. Tai has been an Invisalign certified orthodontist since 2000 and is currently an Invisalign Top 1% Diamond Provider who has treated over 1,400 cases with Invisalign.

Dr. Tai has taught Invisalign at various universities worldwide. She is a member of the Editorial Board of the Journal of Aligner Orthodontics and the author of the textbook "Clear Aligner Technique."

Dr. Tai will discuss differences in treatment mechanics between fixed appliances and clear aligners, and will demonstrate a wide variety of malocclusions such as deep overbite, anterior open bite, Class II malocclusions and premolar extraction cases that may be routinely treated with clear aligners with excellent clinical outcomes.

For more information on this course, contact Carrie Trejo at ctrejo@hsc.wvu.edu or (304) 293-3222.

For any questions on how to register for the course, contact the Office of CE at (304) 293-3937.

COURSE CREDIT:

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The WVU School of Dentistry designates this activity for 6 continuing education credits. Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices. Concerns or complaints about a CE provider may be directed to the provider or the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

REGISTRATION MADE EASY:

Be sure to fill out all applicable information on the registration form. Please make additional copies for each individual registration.

Please submit your online registration and credit card or electronic check payment at <http://bit.ly/wvuortho>, or complete the attached registration form and return by August 31, 2018 to the WVU Office of CE along with your check payment. Registrations received by August 31, 2018, will be confirmed via email.

COURSE DESCRIPTION:

In this highly dynamic lecture Dr. Tai will teach you about providing care to adult patients with clear aligners in performing extraction treatment and treatment of open bite and deep bite malocclusions.

Topics to be discussed will include:

- A comparison between Fixed and Edgewise appliances and Clear Aligners
- Clear Aligner Innovations for Deep Bite and Anterior Open Bite Treatment
- Class II Treatment with Clear Aligners
- Premolar Extraction Treatment with Clear Aligners

This program is designed to meet the needs of the practicing orthodontist and staff.

OBJECTIVES:

Following this course, participants should be able to:

- Identify the types of adult malocclusions best treated with clear aligners.
- Treat patients with deep and open bites with clear aligners.
- Treat patients with Class II problems.
- Treat patients who require extraction of permanent teeth.

DISCLOSURE: All those in a position to control content have indicated that they have no relevant interests to disclose.
