West Virginia University Cancer Institute Annual Breast Cancer Conference

July 26, 2019

Course Description

This one day conference will cover basics of clinical trials, basic sciences, addiction and health outcomes. This conference is designed for physicians, nurses, and advanced practice professionals in our community involved in women's health who have an interest in management of quality of life challenges for the breast cancer survivor as well as current breast cancer therapies and multidisciplinary management.

On-line Registration

To register for this complimentary continuing education conference please follow the link provided in the email or visit <https://www.surveymonkey.com/r/072619BCCregistration> **Please note: This conference is complimentary however, pre-registration is required as there is limited seating available.** Please contact Cancer Prevention and Control at 304-293-2370 with conference questions.

Educational Objectives

At the conclusion of this conference, participants should be able to:

- Explain how each discipline and scope of practice can meet the needs of breast cancer patients.
- Identify the effects of treatment and three ways to address patient needs.
- Discuss emerging data regarding investigational approaches for managing breast cancer in the context of evolving treatment paradigms.

Continuing Education

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the West Virginia University School of Nursing for 6 contact hours. The West Virginia University School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule #19CSR11-4 under provider number WV 1996-0120RN.

Location

The Erickson Alumni center is located in Morgantown, WV at One Alumni Drive in the Heart of the Evansdale Campus at West Virginia University. The Center is less than 400 yards from Milan Puskar Stadium and offers convenient parking with easy access to Interstate 79. For more information please visit alumni.wvu.edu/eac.
