Target Audience: Physicians, nurses, physician assistants, dietitians, nutrition educators, public health professionals, farmers/aggregators

Series objectives: By attending this series, participants should be able to:

- Describe the mission and the four pillars of FARMacy
- Explain the equity lens related to FARMacy
- Define the key historical events that shape disparities in West Virginia
- Define the existing evidence on health outcomes based on social status
- Explain alternative methods of collecting evidence on health disparities
- Identify the models and theories that support policies, practices, and tools that address the gaps between nutrition, farming, and socio-economic status
- Explain existing program and policy efforts that address FARMacy

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 3 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the West Virginia University School of Nursing for 3.6 contact hours. The West Virginia University School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule § 19CSR11-4 under provider number 50-26086.
