4:00 pm Adjourn
ABOUT THE SPEAKER:

Dr. Timothy Tremont is Professor and Chairman of the Department of Orthodontics at the Medical University of South Carolina (MUSC). He previously was a faculty member at WVU for 18 years. He is a graduate of the University of Pittsburgh School of Dental Medicine and completed his orthodontic residency at the University at Buffalo.

Known for his patient and effective teaching style, Dr. Tremont lectures nationally and internationally, regularly providing courses on subject matter relating to orthodontics and orthognathic surgery.

LOCATION:

Morgantown Marriott at Waterfront Place, 2 Waterfront Place, Morgantown, WV 26501 (304) 296-1700

For more information on this course, contact Carrie Trejo at ctrejo@hsc.wvu.edu or (304) 293-3222.

For any questions on how to register for the course, contact the Office of CE at (304) 293-3937.

REGISTRATION MADE EASY:

Be sure to fill out all applicable information on the registration form. Please make additional copies for each individual registration.

Please submit your online registration and credit card or electronic check payment at http://bit.ly/wvuortho23 or complete the attached registration form and return by August 31, 2023 to the WVU Office of CE along with your check payment. Registrations received by August 31, 2023, will be confirmed via email.

Cancellations received prior to the date of the conference will receive a full refund.

COURSE CREDIT:

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The WVU School of Dentistry designates this activity for 5.5 continuing education credits. Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices. Concerns or complaints about a CE provider may be directed to the provider or the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

COURSE DESCRIPTION:

In his presentation, Dr. Tremont will share thoughts about our specialty and the opportunities we have for the future. Although the day will be a touch philosophical, he promises to share an abundance of practical concepts and techniques to enhance the care we provide our patients.

This program is designed to meet the needs of the practicing orthodontist.

OBJECTIVES:

Following this course, participants should be able to:

- Accurately diagnose transverse dimensions of the dental arches and skeletal transverse discrepancies between the maxilla and mandible.
- Treat cleft palate patients to optimize the occlusion as well as smile and facial esthetics.
- Recognize how orthodontics plays a critical role in the management of sleep apnea patients.
- Recognize why effective orthodontics drives successful orthognathic surgical outcomes.

This program is designed to meet the needs of the practicing orthodontist and staff.
