Attach a File *	 pch_practice_gap_worksheet.docx 13.72 KB • DOCX

Has an evaluation of a similar previous activity been reviewed? *

No

Why does this Gap between current and desired practice exist?

Patient guidelines are always changing and physician updates are always necessary.

How will this activity help close the practice gap / fix the identified problem(s)?

Ongoing reinforcement of new guidelines and pathways that will improve the quality of care to cancer patients.

This activity should improve:

- Competence
- Performance
- Patient Outcomes
