- 4:30 pm Question and Answer
- 4:45 pm Adjourn
- 5:00 pm Reception
- 6:00 pm Banquet/Dinner

ABOUT THE SPEAKER:

Dr. Kravitz is a Diplomate of the American Board of Orthodontics, member of the Edward Angle Honor Society, and Associate Editor for the Journal of Clinical Orthodontics.

Dr. Kravitz is a graduate of Columbia University and received his D.M.D. at the University of Pennsylvania.

He is also a prolific writer for numerous journals.

Dr. Kravitz lectures throughout the country and internationally on treatment planning, biomechanics, practice management, and ethics, quickly building a reputation as one of the country's most dynamic speakers.

Jackie Kennedy is famously quoted as saying that, "Pearls are always appropriate"; the same could be said about sharing orthodontic clinical pearls. Who doesn't love picking up those invaluable tidbits and ruminations hidden within a lecture? After all, these clinical pearls are easiest to take home and immediately implement into our practice. It is a passion of mine to share my clinical ideas with other orthodontists, and what better way than with a lecture entirely devoted to the topic. Be ready for fun and fast paced presentation chock full of clinical pearls.

LOCATION:

Morgantown Marriott at Waterfront Place, 2 Waterfront Place, Morgantown, WV 26501 (304) 296-1700

ACCOMMODATIONS:

Morgantown Marriott at Waterfront Place
2 Waterfront Place
Morgantown, WV 26501
(304) 296-1700

A block of rooms have been reserved for the nights of September 9th and 10th. To book your room and receive our discounted conference rate, call the hotel and tell the reservationist you are attending the WVU Dept. of Orthodontics 50th Anniversary and CE Course. The cut-off date to reserve rooms at this rate is August 07, 2021.

For more information on this course, contact Carrie Trejo at ctrejo@hsc.wvu.edu or (304) 293-3222.

For any questions on how to register for the course, contact the Office of CE at (304) 293-3937.

COURSE CREDIT:

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The WVU School of Dentistry designates this activity for 6.25 continuing education credits. Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices. Concerns or complaints about a CE provider may be directed to the provider or the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

REGISTRATION MADE EASY:

Be sure to fill out all applicable information on the registration form. Please make additional copies for each individual registration.

Please submit your online registration and credit card or electronic check payment at <http://ce.wvu.edu/ortho>, or complete the attached registration form and return by August 31, 2021 to the WVU Office of CE along with your check payment. Registrations received by August 31, 2021, will be confirmed via email.

COURSE DESCRIPTION:

In this lecture, Dr. Kravitz will teach the participants when and how to treat patients with congenitally missing upper laterals with canine substitution. How to treat patients with Class II malocclusions with better and predictable outcome. Dr. Kravitz will also cover how to design better retention protocols for orthodontics patients after treatment.

This program is designed to meet the needs of the practicing orthodontist and staff.

OBJECTIVES:

Following this course, participants should be able to:

- Treat patients with congenitally missing upper laterals with canine substitution.
- Treat patients with Class II malocclusions with better and predictable outcome.
- Design better retention protocols for orthodontic patients after treatment.

This program is designed to meet the needs of the practicing orthodontist and staff.
