

## WVAP – 2024 ANNUAL MEETING AGENDA

Saturday, October 5, 2024

---

### Program Objectives:

Following this conference, participants should be able to:

- Describe the new endometrial staging updates and their implications, and to accurately apply them in daily practice
- Recognize appendiceal mucinous neoplasm nomenclature changes with regard to staging of peritoneal disease and the difference in the various classification systems
- Correlate gross autopsy findings with subsequent histologic pathology
- Identify peripheral blood blasts and common benign and malignant mimickers and appropriately triage ancillary testing
- Describe how clinical laboratories and anatomic pathology can work together for the diagnosis of fungal infections

### Target Audience:

This seminar features lectures and case presentations designed for practicing pathologists affiliated with the West Virginia Association of Pathologists.

- 8:00 – 9:00      Breakfast and Registration
- 9:00 – 9:30      Dead-ucation: What the Dead Have to Teach Us  
Samantha Pan, MHS, PA (ASCP)  
WVU School of Medicine
- 9:30 – 10:30    2023 FIGO Staging of Endometrial Carcinoma  
Erna Forgo, MD  
Cleveland Clinic
- 10:30 – 11:00   Break and Exhibits
- 11:00 – 12:00   Appendiceal Mucinous Neoplasm Outside the Appendix  
Erna Forgo, MD  
Cleveland Clinic
- 12:00 – 1:30    Lunch and Exhibits

- 1:30 – 2:30      Pearls & Pitfalls of Peripheral Blood Smear Review  
                         Bryan Rea, MD  
                         University of Pittsburgh School of Medicine
- 2:30 – 2:45      Break
- 2:45 – 3:45      Fantastic Fungi: Mycological Musings of an Appalachian Pathologist  
                         Ryan Demkowicz, MD  
                         WVU School of Medicine
- 3:45 – 4:00      Peutz-Jeghers Syndrome – Case and Review  
                         Bushra Sayeed, MD, Resident, PGY-1, West Virginia University, Morgantown, WV  
                         *Supported by the David and Jo Ann Shaw Research Fund*
- 4:00              Special Business Meeting
