

## WVAP – 2025 ANNUAL MEETING AGENDA

Saturday, October 4, 2025

---

### Program Objectives:

Following this conference, participants should be able to:

- Describe clinicopathologic features of frequently occurring pancreatic cysts
- Evaluate non-neoplastic etiologies of pancreatic mass formation
- Apply histologic criteria and clinical features to differentiate between pancreatic neoplasms
- Recognize key morphologic/immunophenotypic features of common hematopoietic neoplasms in biopsies
- Describe RhD-positive low-titer group O whole blood alloimmunization risk and survival benefit in RhD-negative civilian women of childbearing potential

### Target Audience:

This seminar features lectures and case presentations designed for practicing pathologists affiliated with the West Virginia Association of Pathologists.

8:00 – 9:00      Breakfast and Registration
