Dr. Clarence C. and Maxine Davis Cottrill Endowed Lecture:
The Digital Practice Revolution: Leveraging Implants, AI, and Modern Workflows for Growth

Tarun Agarwal, DDS

Dr. Tarun Agarwal represents a new generation of leadership for the dental profession. As a respected speaker, author, and practicing dentist, he is focused on changing the way general dentists practice. He maintains a full-time general practice in Raleigh, NC that has faced its share of ups and downs. Despite being an 'in network' insurance provider, he's managed to build a successful practice by balancing common sense business principles, digital technology, and clinical excellence.

COURSE DESCRIPTION

Dentistry is evolving faster than ever - are you keeping up? This conference explores how to harness the power of digital dentistry, implant workflows, and artificial intelligence to drive clinical efficiency and sustainable practice growth.

The morning session will dive into emerging digital trends and streamlined implant workflows - from scanning and design to surgical execution and restoration - all built around creating a predictable, profitable, and scalable model.

The afternoon session shifts to the cutting edge of AI in dentistry. We'll explore how AI is transforming diagnostics, treatment planning, and patient engagement, and how to seamlessly integrate these tools into your daily operations to elevate care and grow your practice.

TARGET AUDIENCE

This course is recommended for the entire dental team.

ADA CERP CREDIT

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between the WVU School of Dentistry and the WVU School of Dentistry Alumni Association.

The WVU School of Dentistry designates this activity for 6.5 continuing education credits.

Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
